Dear Secretary,

Mahatma Gandhi is one of the world's most famous personalities and he is known for his pivotal role in India's freedom struggle. With his guiding principles of truth and non-violence, Gandhiji led the people of India into a satyagraha that won them their freedom.

2. The Government of India has now decided to commemorate the 150th Birth Anniversary of Mahatma Gandhi, and it is felt that one of the best ways to celebrate this as well as to propagate his messages is if students participate in and stage plays/skits in their school, on the life of Mahatma Gandhi or his cherished principles. You would have received a letter from Shri Maneesh Garg, Joint Secretary in this Department in this regard, by now.

3. In addition, it is also proposed to conduct a Play competition on the life of Mahatma Gandhi, or any incident from his life or pertaining to his principles of non-violence, truth, cleanliness etc. It is suggested that you may identify around 10 schools in your capital (both Government and Private schools) who may like to participate in this competition. The State Department of Culture will be assisting you in this.

4. The competition may be held between 10th September to 14th September, 2018. One winning team from each State and UT may participate at the National level competition which will be organised by the Ministry of Culture, Government of India during 23rd -25th September, 2018. 5 selected teams from the National level competition will then travel to Delhi to participate in the Mahatma Gandhi International Convention during 29th September to 2nd October, 2018.

5. Brief guidelines for conducting the competition are attached for the State Education Department, the State Culture Department and participating schools. The expenditure on the competition as well as on the travel, boarding/lodging of the students and escorts will be borne by the Ministry of Culture, Government of India.
