FOREWORD

Innovation in Science Pursuit for Inspired Research (INSPIRE) is a National Programme implemented by the Ministry for attraction of talent amongst students to study science and pursue career with research.

INSPIRE programme covers students in the age group of 10 to 32 years and has 5 components. The first component viz. INSPIRE Award is implemented centrally through the States / UTs. Under this Scheme, during the Five Year Plan period, two students are selected from each school of the country including private schools, for an INSPIRE award of Rs. 5000/- for preparing a science project / model. These awardees, who are students from classes 6th to 10th, then participate in a 3-tier competitions; at District, State and National level.

Under the **INSPIRE Award Scheme**, large number of nominations, running into lakhs, have to be processed for selection of the students for INSPIRE Award. DST plans to e-manage the entire INSPIRE Award Scheme by using State-of-Art latest Information Technology which would enable e-filing of nominations by the schools across the country, its processing by the District and State authorities as well as DST in accordance with the norms of the scheme, transmission of data of selected students to the banks, credit of Award amount to the bank accounts of selected Awardees (wherever notified) or preparation of INSPIRE Award Warrants by the bank and their dispatch to the selected Awardees and all such related activities concerning implementation of the scheme, management of the data, generation of various MIS returns etc.

Department of Science & Technology has engaged M /s ILFS Technologies Ltd. for preparation of an application software as well as for its operation and maintenance. The application software was field tested during August-September 2013 and is being launched nationwide on 9th October 2013 by Hon'ble Minister (Sci. & Tech.). The application software is ready for use by the States / UTs, Districts, schools and the three Central organizations viz. Kendriya Vidyalaya Sangathan, Navodaya Vidyalaya Sangathan, Sainik School Sangathan.

Separate detailed user guide have been issued for State / District / School authorities, copies of which are available on DST's website (www.dst.gov.in) as well as on E-MIAS website (www.inspireawards-dst.gov.in).

This document contains details of application software for School authority. I do hope that the concerned authority will find it useful and they will immediately start using the new application software and send future proposals for awards online.

With Best Wishes

1. Introduction

1.1. About INSPIRE Programme

Innovation in Science Pursuit for Inspired Research (INSPIRE) is a National Programme implemented by the Ministry for attraction of talent amongst students to study science and pursue career with research.

INSPIRE Programme covers students in the age group 10-32 years, and has five components: INSPIRE Award (for 10-15 age group), INSPIRE Internship at a science camp with opportunity for interaction with global science leaders (for 16-17 age group), INSPIRE Scholarship for Higher Education (SHE) @ Rs 80000/ per year for continuing education at B.Sc. and M.Sc. levels (for 17-22 age group), INSPIRE Fellowship for doctoral research (for 22-27 age group) and INSPIRE faculty for assured career opportunity (for 27-32 age group).

1.2. About INSPIRE Award Scheme

The first component, viz **INSPIRE Award**, is implemented centrally through the States/UTs. Under this scheme, during the five year period, two students are selected from each middle and high school of the country for an **INSPIRE Award** of Rs.5000/- each for preparing a Science Project / Model. These awardees, who are students from classes 6th to 10th, then participate in a three tier competition: District, State and National Level. The projects exhibited are evaluated by a jury of experts. All the 28 states and 7 UTs are participating in the scheme. The scheme is continuing in the 12th Five Year Plan.

Merit based nomination of students for INSPIRE Awards is done by the Head Master / Head Mistress / Principal of each school, who is required to send nomination of best children, having aptitude for science, with all relevant details, to the District Education Authorities, who will send these to DST through State Education Authorities. All schools in the country including private schools are eligible to participate in the scheme.

In so far as INSPIRE Award component is concerned, One Million INSPIRE Awards have been sanctioned till date (state wise details at **Annexure-I**). Under the INSPIRE Internship, as on date about 800 Science Camps have been held covering about 1.90 lakh students in the age group of 16-17 years, 40 Nobel Laureates and about 8000 resource persons participated in these camps. About 28000 scholarships for students in the age group of 17-22 years have been given and about 2900 INSPIRE Fellows in the age group of 22 -27 years have been enrolled so far. Finally, under the Faculty Award for Assured Career, 378 individuals have been awarded inspire faculty fellowship for initiating research work in various universities/ academic institutions/ laboratories in the country.

As on date, **One Million INSPIRE Awards** have been sanctioned under the scheme, more than 6 lakh awardees have participated in the DLEPCs, and about 45000 best entries of DLEPC have participated in the SLEPCs. About 2000 best science projects/ models selected from SLEPCs participated in the two national competitions held at Delhi so far. About 48% of awardees are girls, and 25% SCs/STs. Out of the 688 projects which participated in the 1st NLEPC held during August 2011, 85 were shortlisted by the Patent Facilitating Centre of TIFAC for detailed examination for possible patenting. Based on the recommendations of CIPF Committee, out of 85 cases, 10 cases have been finally selected and applications for patenting have been filed. Similarly, out of 1064 projects which participated in the 2nd NLEPC, about 100 have been shortlisted for provisional filing of applications for patenting. About 900 science projects/models are expected to participate in the 3rd NLEPC scheduled at Delhi from 08-10, October 2013. As on date, an amount of Rs.619.46 crore has been spent so far on the scheme, out of which Rs. 100.86 crore has been released to the States/UTs to meet the expenditure in connection with conduct of competitions at different levels. A MoU has been signed between DST and ITPO for the conduct of NLEPCs.

1.3. What is E-MIAS

Under the INSPIRE Award Scheme, large number of nominations, running into lakhs, have to be processed for selection of the students for INSPIRE Award. DST plans to e-manage the entire INSPIRE Award Scheme by using State-of-Art latest Information Technology which would enable e-filing of nominations by the schools across the country, its processing by the District and State authorities as well as DST in accordance with the norms of the scheme, transmission of data of selected students to the banks, credit of Award

amount to the bank accounts of selected Awardees (wherever notified) or preparation of INSPIRE Award Warrants by the bank and their dispatch to the selected Awardees and all such related activities concerning implementation of the scheme, management of the data, generation of various MIS returns etc.

1.4. Salient Features of E-MIAS

It will enable about 5 lakh middle and high schools all over the country to log in online and file nominations under the Scheme, which would be received electronically by the District Education authorities for further processing. The schools will also be able to view, download and print list of sanctioned awardees and their certificates.

Similarly, it will enable all the (nearly) 700 District Education Authorities and 35 States / UTs and 3 Central Educational Organizations (Kendriya Vidyalaya Sangathan, Navodaya Vidyalaya Sangathan and Sainik School Sangathan) to log in online and process the proposals received from schools and submit to the National Authority i.e. Department of Science & Technology (DST) for sanction.

The State and Districts authorities will also be able to submit the proposals for funds release for DLEPCs / SLEPCs online.

It will enable the National Authority (DST) to process the proposals and Awards / Funds so received from the State Authorities online and issue sanctions electronically, as per the approved norms.

The software will also have facilities for registration of schools, District Authorities and State Authority, sending and receiving online communications to / from these authorities, receiving utilisation certificates, summary reports, electronically generate standard and tailor-made MIS reports and so on.

It will also have the public domain home page where even public at large would be able to view not only the basic details of the scheme but also the awards sanctioned to various States / schools , various reports / documents / forms relating to scheme, submit suggestions / feedback and so on.

The service provider will also put in place a call centre, which will run six days a week, to cater to the need / grievances of stakeholders.

The site can be accessed at URL (www.inspireawards-dst.gov.in) and the some features of the same can be seen at this web address (public domain features). Other features will require log in details of the respective authorities.

1.5. Agency for Implementation of E-MIAS

DST has selected M/s IL&FS Technologies Ltd. for preparation of application software for E-MIAS as well as for its operation and maintenance during next 5 years, including conduct of orientation-cum-training sessions for State / District Authorities.

1.6. Pilot Launch

The application software was field tested during August – September 2013 in the two selected States of Tamil Nadu and Punjab and one Union Territory i.e. Delhi with an objective of testing the efficacy of the system to meet the objectives / needs and its security features, etc. The application software has been finalised on the basis of feedback / suggestions received from these States and in house checking.

1.7. Nation-wide Launch

After pilot testing, the application software has been suitably modified and is being launched nation-wide on 9th October 2013 at ITPO, Pragati Maidan, New Delhi by Hon'ble Minister (S&T). The application software is ready for use by all the States / UTs, Districts and Schools and the 3 Central organizations viz. Kendriya Vidyalaya, Navodaya Vidyalaya Schools and Sainik Society School. All the concerned authorities are requested to start using the new application software and send future proposals for awards and funds for conducting competitions at various levels online.

1.8. Orientation-cum-Training Session for State / District / School Authorities

State Nodal Officers (SNOs) are requested to organize Orientation-cum-Training Session at State headquarters / any other place selected by them for all the DNOs as well as other concerned officers of the office of SNOs / DNOs to make them familiar with the features of the new application software and impress upon them the need to file online nominations / requests and use other features.

Officers of DST and M/s IL&FS Technologies Ltd. will assist the SNOs for conduct of State level training sessions and train master-trainers. On similar lines, the SNOs / Master Trainers will conduct 'Orientation-cum-Training Sessions in all the Districts for all Schools in the District as well as for the staff of DNOs dealing with the scheme. Expenditure in connection with conduct of such training sessions at State and District level can be met from out of the unspent balance of funds released by DST for conduct of competitions at various levels. Wherever required, additional funds for this purpose will also be released by the DST as per prescribed norms.

1.9. Executive Summary for use of the Application Software

Following paras describe in brief the guidelines for State / District / School authorities to use the application software. Detail user guides have follows are available on DST's website (www.dst.gov.in) as well as on E-MIAS website (www.inspireawards-dst.gov.in).

1.10. Role & Responsibility of School Authorities/Steps required to use the facility

School Authorities (Schools) Participating in the Programme

Log on to website (www.inspireawards-dst.gov.in). Click various buttons to generally familiarise yourself with the webpage.

Click '**School Authority**' button on the top right hand corner of the homepage.

Click "For One Time Registration" button and follow steps for One Time Registration (OTR) by filling requisite details.

(see User Guide for details / clarifications)

Submit request for OTR to DA

(DA will approve the same within 24 to 48 hours and send a User ID and initial Password to you over your e-mail, indicated in the OTR process)

After you get User ID and Password, log-in to the website again, go to 'School Authority' button and click "log in" and use your log-in details which will lead you to **School Authority's Dashboard** *(you may change your password after first log-in)*

Now you are ready to use various features of the application software meant for School Authority. Navigate through various buttons to learn about its contents / features and start using these.

Once School, District and State Authorities have got User ID and Passwords, **schools can file online nominations and submit to their respective DA**, who in turn, after due checking, will forward to their SA and the SA in turn, after due checking will forward the same to NA (i.e. Department of Science & Technology) online.

NA will approve Awards proposals as well as funds proposals online and the same will get reflected on the dashboards of respective SA, DAs and Schools in the form of sanctions, list of awardees etc. and can be viewed / downloaded / printed by respective authorities from their end.

Schools should also use the facility to

- Fill (online) and forward nominations to DA (with full details of nominated students)
- (If school does not have internet facility, submit nomination details in the prescribed form, either as soft copy (if you have computer facility) or as hard copy (if you do not have even the computer facility))
- View list of awards sanctioned by NA.
- Print certificates of approved awardees.
- Send communications (email and/ or post) to DA.
- View communications (email and/ or post) from NA/ SA/ DA.
- View MIS.
- To submit suggestions/ feedback from the home page.

1.11. Objective

This manual aims to provide a conceptual background and procedures on how to use the E-MIAS Application. This manual facilitates the E-MIAS end users as responsible for utilizing the application modules and functions, to perform their designated roles and tasks.

2. Application Function Summary

Inspire Application functions are role-based. Every user has different functionality based on their roles defined in the application.

School Authority can use their School Authority link on application home page to perform the following functions

- School Registration
 - o Online Mode
 - o Offline mode
- Student Nomination
 - o Online Mode
 - o Offline Mode
- School Authority Profile Management
- INSPIRE Communication
- MIS Reports

3. Application Users

Application Users for E-MIAS application at different levels are listed below:

- National Authority
- State Authority
- District Authority
- School Authority
- General Public

The above-mentioned users have been assigned rights to the E-MIAS application and are based on the Login ID and Password assigned to the users to access the E-MIAS application except general public.
